## **Outback Adventure Touring**

A Kangaroo Bus Lines Outback Adventure Tour offers a unique, fun and educational way to experience Australia's more distant and remote places of interest. Our fully catered touring packages include accomodation, venue bookings, catering packages and of course, safe, comfortable and reliable transportation.

We travel all over outback Queensland including Carnarvon Gorge, Charleville, Longreach and Winton and even along the coast exploring the Capricorn and Coral Coast regions. From cattle stations to natural wonders, from pioneering Australians to Indigenous Cultures, an outback adventure has something for everyone. Our coaches are ideal for safari touring being built locally in Brisbane to withstand tough outback road conditions and are equipped with all camping gear and our mobile camp kitchen.

Kangaroo Bus Lines have a select group of professionally trained safari drivers who boast extensive knowledge of the Australian outback and are experienced at driving in all road conditions. Given the remote nature of adventure touring our drivers also hold current First Aid Certificates emergency situations.

Whilst away students will be encouraged to get hands on in all activities including camp set up. Our friendly tour consultants would be happy to arrange a time to visit the school prior to departure and give students a brief demonstration so they are confident in their duties whilst on tour.

Adventure tours are great for all ages including primary, secondary and tertiary groups and we can cater for large groups of up to 150 students. Like all of our tours, our Adventure Tours offer flexibility and diversity and can be customised to ensure your tour objectives are achieved. There's no better way to experience the natural Australian Bush!

## **Outback Education Subsidy Scheme**

The Outback Queensland Education Tour Subsidy Scheme is an initiative of Tourism and Events Queensland and aims to encourage Queensland Schools to take years 5, 6, 7 & 8 students to visit Queensland's Outback. The scheme provides a subsidy to reduce the costs of an excursion in schools located outside the boundary of Queensland's Outback. Funds are allocated to schools on a per student basis at rates varying according to round trip distance travelled.

Note: Approval prior to travel must be obtained in order to receive the subsidy.
