

## Inbound Tourism

# Inbound Tourism

With over 20 years' experience in providing transportation services to inbound tourism groups, Kangaroo Bus Lines has many successful partnerships with airlines and inbound tour operators.

From our sub-tropical rainforests to golden beaches, take in the sights all over South East Queensland in the comfort of our luxury, air-conditioned coaches.

We specialise in providing groups with a personalised experience from the first interaction to the final farewells. Our qualified team of industry professionals have the knowledge and experience to handle your arrangements in their entirety. Our courteous and professional drivers will go the extra mile in making groups feel welcome and provide a memorable and enjoyable experience for all travellers.

## OUR VEHICLES

Our young, modern fleet of buses feature the latest technology in engineering and safety along with other optional attributes including seatbelts, air-conditioning, reclining seats, audio visual entertainment, overhead luggage racks and large underfloor storage areas.

Our fleet consists of over 130 modern buses and coaches, range in size from **10 to 24 seat mini buses** to **boutique corporate vehicles** and **37 to 65 seat coaches** as well as **90 seat vehicles** for primary students. We have various **mobility impaired & wheelchair accessible options** and can supply vehicles with **bathroom facilities**. We can also supply extra storage space with our large range of **enclosed trailers**.

"We understand that every client's needs are unique and our tailored charter options will guarantee the success of your plans and satisfaction of your people."

We offer memorable, cost effective and hassle-free day tours as well as extensive touring packages through South East Queensland and beyond.

## AIRLINE SERVICES

Kangaroo Bus Lines will connect flights with our transportation solutions to meet any traveller's destination needs. We guarantee a premium service to ensure you're on time for your flight and include options for travellers arriving outside of scheduled flight times.

We understand the importance of having a transportation option that allows you to embark on your travels without any extra stress. With our team of professionals, our airport transfer solutions are swift, reliable and have comprehensive customer support. Our mission is to deliver exceptional services to have you at your specific destination in absolute comfort.

We specialise in providing Aircraft support crew transportation solutions. We will be sure to provide a bespoke and personalized flight crew shuttle service for you crew members. Whether you're in need of first class and business class, we delightfully offer our service in safety and comfort with the highest level of standard. We have a wide range of vehicles which allows us to cater for all your transport requirements

## CRUISE SHIP SERVICES

Over the past ten years, Kangaroo Bus Lines has become a reputable major provider of first-class ground transport services for many operators within the Cruise Ship Industry. With our strategically located depots, extensive fleet of over 130 vehicles, skilled logistics management team and on-ground operations teams means we have the capacity to cater for even the largest ships calling to port. We are able to service the entire Sunshine Coast, Brisbane and Gold Coast regions with precision and efficiency that guarantees the satisfaction of everyone involved.

These specialised cruise ship services provide a wide variety of transport solutions including day tours with full commentary, port to city shuttle services, overland tours and hotel to airport transfers. Our fleet is immaculately presented, and our courteous uniformed coach captains exceed client expectations ensuring the greatest tourism experience.

Professional, organised and a pleasure to work with are just a few words that our company, The Bob Wood Group would use to describe Kangaroo Bus Lines. As our coach provider for both Brisbane and the Sunshine Coast our relationship with the KBL team has been second to none and we look forward to continuing this for many years to come.

*Carmen Stevenson, General Manager,  
Bob Wood Cruise Group*

Providing these services is very important to KBL as it ensures visitors that are coming to South East Queensland have access to our local landmarks and facilities enabling us to show off our golden beaches, our sub-tropical rainforests and famous theme parks to our historical landmarks. We are very proud to also provide these services to the mobility impaired community with our large range of wheelchair accessible vehicles.
